CAREER OBJECTIVE:

To begin my career with a reputed organization where I can apply my technical knowledge, problem-solving abilities, and passion for learning to contribute to organizational growth, while continuously developing my skills in emerging technologies and building a successful professional path.

EDUCATION:

Malla Reddy College of Engineering	2021-2025
Bachelor of Technology in Artificial Intelligence and Machine Learning	CGPA :8.0 / 10
Sri Chaitanya Junior College	2019-2021
MPC	CGPA :9.2 /10

TECHNICAL SKILLS:

- **Languages:** Core java
- **Fronted Technologies:** HTML, CSS and JavaScript
- **Data Bases:** SQL
- **Common Tools:** VS Code, Eclipse, GitHub, MS Word, PowerPoint.
- **Technical Tool:** AutoCAD, MATLAB, Arduino IDE

PROJECTS:

Web Based Music Genre Classification for Timeline and Song Visualization

- Users can upload songs for analysis through the web interface.
- The system extracts audio features like tempo, rhythm, and pitch.
- A trained model classifies the song into a specific genre.
- A timeline visualization shows changes in song features over time.
- The website displays results and stores data for future access.
- **Tools Used:** Python, Google Collab

Blockchain Based Autonomous Notarization System Using National eID card

- The system uses blockchain technology to securely record and verify digital documents.
- Users can authenticate themselves using their national eID card for identity verification.
- Smart contracts automatically handle notarization without human involvement.
- Every notarized document is stored as a tamper-proof record on the blockchain.
- Users can easily verify the authenticity of documents anytime through the web platform.
- **Tools Used:** Angular, React.js

CERTIFICATION:

- Introduction to HTML5.
- Certification of Participation in 5 Days Workshop on PYTHON FULL STACK – DJANGO and FLASK
- Certification of Participate in Three-Day Workshop and 24 Hours Hackathon on Amazon Web Services

SOFT SKILLS

- Time managements
- Self-motivated
- Adaptability
- Patience
- Creativity
